You may book until April 7<sup>th</sup>, 2014. **Please read this newsletter carefully as it has some important information for the competition.**

#### **COMPETITION INFO:**

**When to be There:** All dancers need to be at the competition **an hour and a half prior to their scheduled dance** time. If you dance before 9am, please be there 45 minutes before you dance with hair and make up done. This competition is known for running a half hour ahead of time. It is important to be at competition in advance to warm up and run your routine. Dancers need to come with **hair & make up done and costume on**. If you have any questions about hair or make up, please ask your student's teacher before the competition. Change room space is tight at this competition, so please make sure you keep all of your belongings neat and tidy in your dance bags.

**What to Bring:** Costumes, dance shoes, healthy snacks, water, props and make-up (for touch ups). It is best to make a '**check list**' of everything you will need for competition. For example: proper tights, shoes, costumes, hair accessories, any props you need for your dance (as each student is responsible for their props), all make up, a comb and brush, extra hair elastics etc.

**Hair Notes:** Hair should be swept off the face with gel so that there are ***no stray hairs hanging in the face***. When doing your hair, remember - gel is your best friend. The best time to do your hair is when it is wet. Buns must be secured by a proper hair net and hair pins. You want to have the bun as close to your head as possible. **Remember:** the **part** is on the **left side of the head**.

**Make-up:** Make-up is important. Please make sure that dancers are using enough cover up, eye shadow, eye liner and lipstick. Eyeliner must be used on the bottom of the eye and needs to be extended to the outside of eyes. Cover up and bronzer needs to be brought down to blend into your neckline so it mixes in with the skin.

**Remember to bring your Studio jackets to wear over your costumes when you are in the audience.** Please wear your Studio wear proudly - be polite, courteous, patient and encouraging to other dancers and staff. It is very important that we keep our area tidy and that we clean up after ourselves. And of course, have fun and
