

# A FROST DANCE

---

## E X P E R I E N C E

*a personalized dance experience in an exciting and encouraging environment*

### ***Believe***

Attached you will find the schedule for ***Believe*** which is being held at **The City Playhouse Theatre Vaughan**, 102-1000 New West Minister Drive, L4J, 8G3, **April 1<sup>st</sup> & 2<sup>nd</sup>, 2017**. Please read this newsletter carefully as it has important information for the competition.

**When to be There:** All dancers must be at the competition **one hour prior to their scheduled dance** time. For those dancing at 8am, please be at the venue by 7:30am with hair and make-up done. It is important to be at competition one hour in advance to warm up and run your routine. As well, competitions can run ahead of schedule and it is necessary to dance when your number is called, the competition will wait for no one. Dancers need to come with **hair & make up done**. If you have any questions about hair or make up, please ask your student's teacher before the competition.

**What to Bring:** Costumes, dance shoes, healthy snacks, water, props and make-up (for touch ups). It is best to make a '**check list**' of everything you will need for competition. For example: proper tights, shoes, costumes, hair accessories, any props you need for your dance (as each student is responsible for their props), all make up, a comb and brush, extra hair elastics etc. **Please remove all visible jewelry and leave it at home**. If you must keep a piercing in, please make sure to cover it with a skin coloured band aid. This is not only for consistency in dancers, but also to keep the lights from sparkling off it. **Please remove all nail polish and fake nails** before you get to the venue.

**Hair Notes:** **Hair should be swept off the face with gel** so that there are **no stray hairs hanging in the face**. The best time to do your hair is when it is wet. Buns must be secured by a proper hair net and hair pins. You want to have the bun as close to your head as possible. **Remember:** if you're doing a **part**, it is on the **left side of the head**.

**Make-up:** Make sure to show up at competition with your make up done unless you are there more than an hour and a half before your scheduled performance time.

**Attendance:** If a student is sick and contagious, please keep them home from class so they don't spread their germs. If a student is just feeling under the weather or tired, please have them come and observe their competitive class. Each group is part of the team and we need their commitment. We want students to feel comfortable and confident on stage performing, we ask parents to encourage their children to practice their pieces during the week. The more time spent thinking about their piece, the more comfortable they will be.

**Remember to bring your Studio wear to put over your costumes when you are in the audience and when on stage during Awards.** Please wear your Studio wear proudly - be polite, courteous, patient and encouraging to other dancers and staff. Please be present at awards ceremonies, it's ok to take pictures before the ceremony starts, but please put phones away and clap for all teams when awards are handed out. *It is very important that we keep our area tidy and that we clean up after ourselves.* And of course, have fun and **'Go Hard or Go Home'**.
