

## Dancer's Dress Code

A Dancer's Dress Code has been established for the safety and comfort of your child as well as the other students taking class. It is important that students are dressed neatly and appropriately so they are able to concentrate on improving their dancing skills and not worry about what they are wearing.

We ask that all students come to each class in the appropriate clothing set out by the Dancer Dress Code. Hair is also a part of our dress code. Long hair should be in a ponytail, bun or braid; short hair should be pinned back. Parents should double check that their children have what is required each class and assist their dancers in preparing for class to ensure that they are dressed accordingly.

Students that do not follow our dress code will be given a warning and then asked to sit out the following class, if they are not dressed appropriately. Dancers will be asked to remove clothing that is not part of the dress code.
