

A FROST DANCE

E X P E R I E N C E

a personalized dance experience in an exciting and encouraging environment

As we near the end of the season, we'd like to remind everyone how important it is to attend classes. Recital is right around the corner and we want our dancers to be able to do their best on stage and to do that, they need to be comfortable. Coming to class, learning choreography and practicing their piece is an essential part of being comfortable on stage. As well, dress code is essential in the studio. Shoes are a part of that dress code, if a student comes to class without proper shoes we will ask the dancer to dance in bare feet as the dance floor is too slippery for socks. Please, for Hip Hop especially, make sure students are bringing their footwear.

Costumes will be sent home starting in April. Please note that dance costumes must fit snug. Bodysuits are meant to fit like swim suits so that they aren't moving on stage and distracting the dancers. If you have any questions about costumes, please let us know.

Please take a look in the lost and found as there are many pairs of shoes, water bottles and clothing. The box is in the girls' change room and will be cleaned out mid April. Students, please make sure to clean up after yourselves if you're eating in the kitchen or homework area. There is ABSOLUTELY no eating in the change room. Please respect the studio as if it were your home.
