Picture Day Info

Pictures for all recreational classes will be taken at the studio on **Sunday April 28th** – schedule attached. Each class will have a group photo, and if desired an individual photo for each student. We have tried our best to accommodate special requests. We know this can be a long day for families. We do apologize and thank you for cooperation. Pictures are taken in full costume, with hair and make-up done. **Please arrive 15 minutes before your scheduled time** to ensure we stay on time. If you are unsure which class your child is in, please let us know and we can help you out. **Please let us know in advance if you're unable to make it for picture day.**

Order information is attached. Please note that prints and digital download prices and orders are per student, and *each child should have their own order form*. **Remember to bring your completed forms on picture day** filled out with name, phone number and your child's class name (*see picture schedule on back for names*). The order form will be given directly to the photographer's assistant, as your pictures are taken. **Cash** (proper change required) **or cheques payable to Kristin Gibson Photography will be accepted**. You can pay for more than one class or child if you are paying by cheque. Just put the cheque number on all order forms. Orders will be ready for pick up at the studio during Bring a Friend week at the end of May beginning of June. **We ask all parents to stay outside of the studio space when pictures are being taken as it is distracting for the students.**

Costumes: Costumes are being sent home as they come in. It is your responsibility to wear or bring all costumes for picture day. If costumes are being altered, they will be available at the studio the day of pictures.

Hair: For those in Ballet, hair should be pulled back tight to the head and secured in a bun with hair nets and hair pins. The bun should be at the crown of the head. If your child's hair is short, please clip it back with barrettes or bobby pins. It's best to do your child's hair when it is wet.

Tights: For Ballet please ensure the dancers are in ballet pink tights. For Tap and Musical Theatre, tan tights should be worn. For all other styles, please confirm the colour of tights with your teacher.

Make up: The camera lights can make the dancer appear very pale, so we do ask that students wear some make up for pictures. Children under the age of 7 can wear blush and lip gloss or lipstick (but it is not necessary). Students over the age of 8 are asked to wear blush, eye shadow (browns are best), eye liner (black), mascara and lip stick (light red). **No jewelry should be worn for pictures. Please leave jewelry at home as the studio will not be responsible for lost jewelry.** Please remove any stick-on tattoos from your child's arms, face or neck as these will not be edited out.

Changeroom: The back studio is turned into a change room the day of pictures. Please use this or the changeroom for costume changes. The 'Boys' changeroom is for families or men helping children to change. Please no men in the changeroom or back studio. Thank You!

Senior volunteers and teachers are available on the day of pictures if you need help with make up or hair. Arrive 15 minutes before your picture time to leave enough time for assistance. If you have any questions or concerns, please feel free to contact me by email at dance@afrostdance.com or by phone at 705-740-0002.
